From Asheville

From the Asheville Airport, Take I-26 North to I-40 West. Follow **I-40 west to exit 27**. There are a lot of things that use exit 27.

Exit #27 is the "Great Smoky Mt Expressway" and Hwy 74/23.

From the Great Smoky Mt Expressway" and Hwy 74/23 take **Sylva exit # 85**,

Exit 85 takes you straight into town. This road is called the Asheville Hwy and goes past the regional hospital.

Go to the third light and Turn LEFT on **to Hwy 107 going south**, you will go through the little community of Sylva. If you need groceries, pick them up in Sylva. There is a Food Lion shortly after you get off hwy 74/23. There is a Wal-Mart Super Center after you turn left at the second light and go about 2 -3 miles on your right. Ingles grocery is about a mile beyond the Super Wal-Mart.

Continue south on Hwy 107 toward Western Carolina University and Cullowhee. In Cullowhee there are 4 lights on hwy 107.

At the fourth light turn Right on **to Cullowhee Mountain Road** at Cullowhee Valley Elementary School . Cullowhee Mountain Road is a 2 lane, twisty country road that will take twice as long to travel a mile as it does in the city.

The road forks about a mile from HWY 107...**STAY TO THE LEFT**. Go **about 9 miles up Cullowhee Mountain Road**. You will be going all the way to the top of the mountain and will probably think you are lost before you get to the top.

At the top of the mountain you will see 2 small country churches. On your left is Double Springs Church of God and on your right is a "cemetery church", go 1 mile beyond these two churches to **Arrowmont Trail** on your left.

Turn left on Arrowmont Trail into Arrowmont Stables & Cabins entrance. You will come to a gate that may be closed to keep the horses in. If you are staying in a cabin, look for a Welcome Note on the gate and remove it. Open the gate, come through and close the gate behind you. From the gate you will see the barn and reservation check-in which is in the stables reception office. Plan about 35 minutes from Sylva to Arrowmont Stables & Cabins.

Plan about 2 hrs from Asheville.
