**Directions from Highlands to Arrowmont**

**From Highlands take HWY 64 east** to the light at the "Crossroads" in Cashiers. You will see an Exxon on your left at the light.

**At the light, turn left** going north on HWY 107. Go North about 6 miles on Hwy 107 to Pine Creek Rd. and Mountain View Marine. Mountain View Marine is a large boat storage facility several acres in size surrounded by a chain-link fence right on Highway 107...

**Turn left at Mountain View Marine** on to Pine Creek Road. You will be traveling along the northern shore of Lake Glenville. This is the highest lake east of the Mississippi River. Its an alpine-like lake, much like one in Lucerne, Switzerland. Simply breath-taking. Anyway, back to directions...On Pine Creek Road go about 3.3 miles. Then, just as you're leaving the northern shore of Lake Glenville, you'll come to the first paved county road on your right, Cullowhee Mt. Rd. You will also see a directional sign there for Arrowmont at the intersection of Pine Creek and Cullowhee Mtn Roads.

**At Cullowhee Mt. Rd. turn right** and go 1 mile to the Arrowmont Entrance on your right.

**Turn right into the entrance on to Arrowmont Trail.** The front gate may be closed but it is to keep horses in, not people out. Just open the small clip hooked chain and open the gate. You'll see the stables from the gate.

There is a sign at the entrance and a directional sign at the intersection of Pine Creek Rd. and Cullowhee Mt Rd. There is also a small sign on Hwy 107 at Mt View Marine on the left side of the road. Plan about 45-50 minutes from Highlands.
