Directions from Trillium to Arrowmont

From Trillium go north on North Norton Road about 5 1/2 miles. It dead-ends at a pasture with some donkeys in it right in front of you.

At the pasture turn right on to Pine Creek Road and go 8/10th of a mile to Cullowhee Mountain Road. Turn left on to Cullowhee Mountain Road...there is a directional sign for Arrowmont at that intersection. If you miss seeing Cullowhee Mountain Road, you will see Lake Glenville on right in about 2 blocks.

On Cullowhee Mountain Road go 1 mile to the entrance on your right. Turn right into Arrowmont. You will come to a gate. It may be shut. If it is, it's to keep the horses in...not you out. The gate only has a "clip hook" on it. Send one of the children out to open the gate, drive through and have them close it behind you. If the gate is open, all the horses are haltered and tied. So just come on in. You will see the Stables from the gate.

You are driving around the western side of Lake Glenville traveling north to come to Arrowmont. Plan about 20 minutes driving time from Trillium.
